Not Just the Tudors

Emma has been invited to feature on a number of podcasts recently to discuss the newly discovered portrait miniature of Henry Wriothesley (1573-1624), 3rd Earl Southampton, by Nicholas Hilliard (c.1547-1619). You can find out more about the discovery [here](#).

Joined by Elizabeth Goldring, who worked with Emma to research the miniature, she has spoken on both the [Tudor Chest Podcast](#) and [Not Just the Tudors](#) about the story of researching the portrait and the discoveries impact on literary history. Both podcasts are available across popular streaming platforms.
